BECKWITH'S ANTI-DYSPEPTIC PILLS
have been most successfully employed in almost
every variety of functional disorder of the stomach,
bowels, liver, and spleen; such as heartburn, acid
eructations, nausea, headache, pain and distension
of the stomach and bowels, indigestion, flatu-
lence, jaundice, anorexia, habitual constiveness, loss
of appetite, sick headache, sea-sickness, &c., &c. They
are a safe and comfortable aperient for females dur-
ing pregnancy and subsequent confinement, relieving
them of the distressing and dangerous effects of
the medicinal nervousness. Literary men,
students, and most other persons of sedentary habi-
tude, find them very convenient. Those who indulge
freely in the pleasures of the table find speedy
relief from the effects of oppression and distension
which follow, by taking the pills. As a dinner pill,
they are invaluable. Those who are drinking min-
eral waters, and particularly those from southern
climates, again and over districts, will find them a
valuable adjunct. Those who are exposed to the
vicissitudes of weather on voyages or journeys, can
take them at all times with perfect safety. In full
doses they are a healthy and safe anti-bilious
medicine. The seldom or never produce
sickness at the stomach or griping.

There have been many imitations and worthless
counterfeits of these pills put in circulation by un-
principled and dishonest dealers, who, for the sake
of gain, have sold the genuine pills so closely and
accurately copied, that the closest observer could not
without a trial of their effects, distinguish between
them.

Dr. T. W. Dwyott & Sons, of the Columbian col-
lege, 131 N. 2nd street, Philadelphia, having under-
taken and been appointed by Dr. Beckwith sole
agents for the United States, for the sale of the
above pills, the public are informed that they can be
supplied with the genuine article in any quantity at
the same price as by the proprietor, by applying as
above.

N. B. To guard against counterfeits, all the pills
furnished by the sole agents, are put in doct's packages,
with a blue engraved label (White letters),
DO BECKWITH'S ANTI-DYSPEPTIC PILLS,
T. W. Dwyott & Sons, sole agents for the prop-
rietor.

Certificates having for several years accompanied
each box, and the public being now familiar with
the kind of testimony in possession of the prop-
rietor, he has thought it necessary to publish them,
not simply to give a list of references (from
among many) to gentlemen, who, from personal ex-
perience of the efficacy of the pills, are willing to
recommend them to their friends.
